# OWNER'S MANUAL

## 6MM

Compatible with 6mm BB only.  
Only use recommended BB size for your magazine / replica.

Compatible with Gas / CO2 magazines only.  
Always use the correct gas for your specific magazine / replica!

## COMPATIBLE MAGAZINES

✓ GAS ✓ CO2

## KEEP AWAY FROM FIRE

Keep away from sources of ignition when filled with gas.

Do not store your magazines or replica in direct sunlight or exposed to a heat source.

## STORE AWAY FROM HEAT

## 40°C

Never store your gas or magazines above 40°C. Store magazines at around 25°C for optimum performance.

Always wear suitable eye / face protection for surrounding personnel within projectile range.

## ALWAYS WEAR EYE AND FACE PROTECTION

## DON'T AIM AT PEOPLE

Do not aim or shoot at people or animals. Always handle your replica as if it is loaded.

Treat your replica like a real firearm. Always keep secured under lock and key and keep out of reach of children.

## STORE SAFELY
